RESOLUCIONES

Crean la Unidad de Atención Primaria de la Salud

MINISTERIO DE SALUD

RESOLUCION Nº 49

Córdoba 13 de febrero de 2007.

VISTO:

Las actuaciones obrantes en la Nota N° 655805 025 30 606, en las que se gestiona la creación de la "UNIDAD DE ATENCIÓN PRIMARIA DE LA SALUD", dependiente de esta Cartera Ministerial

Y CONSIDERANDO:

Que el objetivo medular de la Atención Primaria de la Salud, está orientado a consolidar la vigencia del acceso ciudadano a los niveles básicos de asistencia sanitaria, proceso de permanente evolución en el que este Ministerio viene desarrollando e implementando políticas y acciones.

Que no obstante el importante proceso de descentralización de la atención primaria de la salud verificado en esta Provincia hacia sus Municipios y Comunas, los que en significativa proporción se encargan de garantizarla en su jurisdicción mediante efectores propios, la permanente vinculación institucional y de gestión que ambos niveles de gobierno han desarrollado en esta Provincia, en particular en esta gestión de gobierno, genera una línea directriz de permanente apoyo y seguimiento de la misma desde el Ministerio hacia los efectores, aún cuando no fueren centros dependientes de la Cartera.

Que asimismo, existen diversos instrumentos, programas y acciones implementados entre la Provincia, la Nación y organismos internacionales, entre los que se destacan PROAPS, FOFINDES, REMEDIAR, entre otros, con importante aplicación de recursos materiales y humano, resultando oportuno que quien ejecute las políticas de salud en esta jurisdicción, para una gestión más eficiente de aquellos, organice su articulación a través de una estructura ágil y profesionalizada.

Que con la puesta en marcha de la Unidad de

Atención Primaria de la Salud, se brindarán múltiples respuestas en este campo, implementando e integrando las políticas determinadas por el Ministerio, articulando los múltiples programas que directa o indirectamente abordan la problemática y facilitando en definitiva la acción institucional directa o compartida entre diferentes niveles de gobierno.

Que la propuesta se enmarca en las políticas de salud que viene llevando a cabo el Gobierno de la Provincia de Córdoba.

Por ello, lo informado por Gerencia General de Asuntos Legales y las facultades conferidas por el artículo 24 de la Ley N°9156,

EL MINISTRO DE SALUD

MINISTERIO DE EDUCACION

RESOLUCION Nº 89

Córdoba, 30 de marzo 2007

VISTO: la gran precipitación pluvial acaecida en la ciudad de San Francisco durante los últimos días y las graves consecuencias que ha traído aparejadas dicho temporal.

Y CONSIDERANDO:

Que los casi quinientos (500) milímetros de lluvia caída han provocado el desborde del sistema cloacal y la suba de las napas freáticas, ocasionando -entre otros perjuicios- el colapso de sanitarios, la inundación de patios y serios daños en aulas y espacios comunes de diversos establecimientos educativos dependientes de este Ministerio.

Que tales circunstancias hacen imposible el normal funcionamiento de las unidades afectadas, sin poner en peligro la salud de la comunidad educativa.

Que resulta necesario en la emergencia, adoptar las medidas pertinentes que permitan preservar la integridad física de alumnos y personal docente y no docente que allí se desempeñan, como así también llevar a cabo las tareas de desagote, desinfección, limpieza y reparación de los locales escolares perjudicados.

Por ello,

EL MINISTRO DE EDUCACION RESUELVE

Artículo 1º.- DISPONER la suspensión de actividades escolares y administrativas en todos los establecimientos educativos provinciales de gestión pública o privada de la ciudad de San Francisco dependientes de este Ministerio, para los días 3 y 4 de abril de 2007.

Artículo 2º- PROTOCOLICESE, comuníquese, publíquese en el Boletín Oficial y archívese.
